والتنمية الاقتصادية
Ministry of Economic Planning
and Economic Development

وزارة الاستثمار
Ministry of Investment

وزارة الصناعة
والتجارة
والحماية المستهلك
Ministry of Industry, Trade
and Consumer Protection

As a valued industry professional, we are pleased to extend an invitation for you to attend the inaugural **Future Minerals Summit** (FMS). This Summit will be your gateway to the forging of new partnerships not only in Saudi Arabia but also across the emerging markets of the Middle East, Central Asia, and North and East Africa.

These new mining frontiers, in which the industry is just getting started, will provide many lucrative opportunities as the world looks to minerals to help expedite the green transition.

Saudi Arabia unites global metals and minerals leaders to discuss key issues relating to the global outlook of mining around four powerful themes:

Defining a Regional Mining Hub
Mining's Contribution to Society
Re-imagining Mining
New Lands of Opportunity

The two-day in-person summit will feature sessions moderated by world class industry experts and 50+ hours of keynotes, panels and presentations - including ministerial plenaries and CEO fireside chats.

The event is set to be the most significant new global gathering of mining executives and thought leaders in recent years. To view the list of speakers, please [follow this link](#).

The **Future Minerals Summit** is taking place on 12-13 January 2021 at the world class King Abdulaziz International Conference Center in Riyadh, Saudi Arabia. Attendance is free to attend and by invitation only, so please **register your interest** on the link below to be part of the discussions that will drive action, and accelerate a new approach to advancing mining and unlocking new opportunities in emerging mineral markets.

We invite you to **register your interest** to gain access to decision makers who are leading multi-billion dollar mining and mineral projects across the Middle East, Central Asia, and North and East Africa.

APPLY TO ATTEND

FMS is being convened by the Kingdom of Saudi Arabia's Ministry of Industry and Mineral Resources. A guest of government program is available to support your attendance and will be reviewed upon application. Once your application to attend is approved, access to official hotels and logistical support will be provided to all. **Apply now to attend and make plans to be in Riyadh for this important gathering.**

To learn more about any of the exhibiting or remaining sponsorship and branding opportunities, please **get in touch with the team** for more participation information.

Please feel free to reach out with any questions or concerns

Kind regards,

Liz Levine
Robert Kennedy
